Norwalk, Connecticut

ATTENTION: Mr. Charles Hall

Gentlemen:

Reference is made to General Provision 26, CAPTURE AND DETENTION, in Contract No. TR-800 and particularly to the references made therein to agreements between you and your employees concerning payment of benefits in the event of their detention.

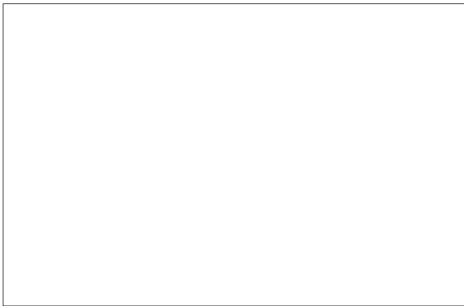

It is recognized that your employment agreements do not include a Capture and Detention clause or an expressed agreement with respect to benefits payable thereunder. Since it is not desirable to contact your personnel at this date concerning the addition of such coverage in their employment agreements, the employment agreements issued under Contract No. TR-800 shall be deemed to include the Capture and Detention clause set forth in the prime contract.

Very truly yours,

Contracting Officer
